Dated: 18.06.2020

ORDER

Sub: DRDM- Covid-19 - Preventive Measures - Instructions Issued - Reg.

Ref: i. The Epidemic Disease Act, 1897.
ii. The Disaster Management Act, 2005.

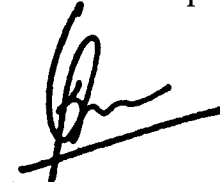

❧ ❧

The Novel Corona Virus (Covid-19) situation, which has been declared as a Disaster under the provision of Disaster Management Act, 2005, has prompted this Administration to take several preventive measures involving all line Departments. Despite, several preventive measures taken, there has been a sudden surge in the number of positive cases reported / fatality due to Covid-19, notably during the past few days.

2. It has been reported that the fast spread of Covid-19 in the Union Territory of Puducherry in the past few weeks was largely because of arrival of more people from neighbouring States with and without pass from the concerned authorities. All the people who had entered into the UT of Puducherry since 01.06.2020 are requested to enrol their details in the nearest Primary Health Centre of their locality. Failing to do so will attract the penal actions against them.

3. Therefore, in exercise of the power conferred upon me, under the Disaster Management Act, 2005 and Epidemic Act, 1897, it is directed that the Medical Officers of all the Primary Health Centres are hereby instructed to maintain the separate Health Register to keep track of all health issues of the people who have come to Puducherry recently. This exercise should be completed before 12.00 Noon of 20.06.2020.

4. Necessary directions shall be issued to the Authorities concerned for compliance of the above instructions and it shall be ensured that the activities are completed within the time frame stipulated.
